Issue 2: July 2024 Tech Support & Monthly Dates Newsletter for GoOnline Services

Welcome to the monthly newsletter for GoOnline. Within this newsletter you'll find dates for our drop-in sessions and the latest tech news.

All our GoOnline sessions are drop-in so there is no need to book!

If you do wish for a time slot, please let Fiona know by phone or email.

You are welcome to attend a session in any location.

Hope to see you soon!

Fiona & Beverly

Introducing the OPAL Digital Library

OPAL have iPads available for loan complete with digital e-books and various games to help keep your mind active and healthy.

The iPads are setup with useful apps including the Library's own BorrowBox App, where you use your own library card to download audio and e-books.

For further details please see leaflet attached below...

OPAL DIGITAL LIBRARY

OPAL have iPads available for loan complete with books and various games to help keep your brain active and healthy.

The iPads are setup with useful apps including Borrowbox where you use your own library card to download audio and e-books.

The iPads can be loaned for holidays and travel or for unexpected stays away from home.

We also have a limited number of Kindles available.

Loan period is one month, renewable on request.
