What is a QR code? It is a readable barcode that stores data as a pattern of black or white squares.

Car parks now use APP's or you can scam a QR code to pay.

Scammers are placing fake QR code stickers over the legitimate code.

Stay safe - Inspect before scanning/ if in doubt use the official parking APP.

OPAL GoOnline Services

OPAL is a small charity operating in rural West Cheshire.

Some of our services are part funded, whilst others are made possible through external grants and lots of fundraising.

We encourage those who receive, and appreciate our services to make a small donation if they are able.

OPAL does not profit from these donations and all donations will go towards essential costs of our GoOnline service to enable us to keep running in the future!

Thank you !
