Digital Confidence for Carers Project

OPAL have launched a new project to help support unpaid Carers on a 1-2-1 basis on how to use and make the most of their smart devices and safely access the internet. Our friendly team of volunteers will provide activities and support for your Cared for person whilst you attend these Carer specific sessions.

We can help with :

downloading and accessing the NHS app,
linking your Cared for health record to your app,
how to pay bills and shop online,
how to communicate virtually with family or friends and stay safe.

OPAL GoOnLine Services

OPAL is a small charity operating in rural West Cheshire.

Some of our services are part funded, whilst others are made possible through external grants and lots of fundraising.

We encourage those who receive, and appreciate our services to make a small donation if they are able.

OPAL does not profit from these donations and all donations will go towards essential costs of our GoOnLine service to enable us to keep running in the future!

Thank you !
